SENIOR RESUME

We the Seniors of '75, wish to pause and look upon our past years in Denver City High School. We look back, not to long for days gone by, but to review our happiest memories.

As Freshmen, we entered high school with great anticipation and high hopes. Our Christmas party was the main attraction of the year. Chosen as our class favorites were Jimmy Baker and Marcia Mead. The end-of-the-year picnic, complete with tug-of-war, ended our "frosh" year.

Then came our Sophomore year, our final year as underclassmen. Taking a bigger part in many of the organizations and functions in high school, we began to get more involved. One of the highlights was our annual Christmas party complete with a visit from Santa. Representing our class as favorites were Steve Beck and Rita Reed. Thus, ended our second year of high school.

Now with the official title of Juniors, we began the traditional sale of football tags. HILLBILLY WEDDIN' was presented after weeks of hectic rehearsal. At last, after we had a few extra concession stands, we had the money we needed to give the seniors a banquet. Our class favorites were Steve York and Sue Provence.

After the graduation of the Class of '74, we received our long awaited senior rings. We were then given the title SENIORS. Events that followed were only a small portion of what our senior year meant to each of us. The tremendously successful Halloween Carnival, the freezing hayride and delicious barbecue, the beautiful banquet that was given to us by the juniors, and Mike Smith and Rena Reed who were our class favorites, made this year something that will never fade from our minds.

These have been our memories. We shall never forget one moment or one friend. It took joys and sorrows, and victories and defeats to bring us nearer our ultimate goals. We the 1975 Seniors, would like to take this opportunity to thank the administration, faculty, students and our sponsors for all their help.

CLASS SONG

WE'LL NEVER PASS THIS WAY AGAIN
by Seals and Crofts

Life - so they say
Is but a game and they let it slip away
Love - like the Autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up

We may never pass this way again
We may never pass this way again
We may never pass this way again

Dreams - so they say
Are for the fools and they let them drift away
Peace - like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up - always up

We may never pass this way again
We may never pass this way again
We may never pass this way again

So we wanna laugh while the laughin' is easy
We wanna cry if it makes it worthwhile
We may never pass this way again
That's why we want to be with you
'Cause you make us feel like we're more than
A friend
Like we're the journey and you're the journey's end
We may never pass this way
That's why we want to be with you

We may never pass this way again
We may never pass this way again
We may never pass this way again
We may never pass this way again

IN MEMORIAM

CLARA PEEVY

"To live in the hearts we leave behind, is not to die."

FATHERLY LOVE

The love of my father,
There's no word to define;
It's greater than any other,
Why? Because he is mine.

The love of your father,
You say, man its great;
It's better than any other,
As fish would say -mmm-
Worms for bait!

The love of our Father!
Think triple your own father's love;
This doesn't even touch the surface,
Of our Heavenly Father's above!

Tommy,
The year is coming to an end and fast. I'm excited, but I hate to see everyone go their separate way. Good luck in the future. Stay out of trouble, but have a good time.

God bless you,
Liz

You have been alot of fun to be in class with. Kyndal and I both think a whole lot you. Congratulations on being an All Stater in roundball. Tommy Don,

Well, you're almost gone and graduated. And I'm almost a Jr! HA I really don't know what to say, to yaw! You have really helped me alot these past few weeks. Even though it didn't work between me & Barry, I really do appreciate all that you did. I'll really miss not seeing you around after you leave, but we'll keep in touch. I hope with me dating Lynn, that it will work out between us and if it doesn't, I will know who to turn ~~to~~ to (you) I bet you're beginning to feel like Ann Landers. HA I hope you have the best of luck in everything, especially you're basketball career - 'cause you are really good. Thanks alot, again and remember to be praying for me 'cause you know that I am trying to change my ways even though I don't always show it.

Love ya,
Tracy

Tommy,

This has really
been a great year, Thanks
for helping make it that way.
Good-luck to you and Debria.
She's a great girl and you're
lucky to have her. Keep in
touch in the future. You and
Debria will have to come and
see me and Bruce sometime.
Be good and stay out of trouble!
Yea, Sr. 75!

Love,
Mary

Tommy -

I don't know really what to say. It doesn't seem like we have been together three years, you'll never know how happy I have been in these three years, you have given me much, much happiness and wonderful memories. I don't know if I can stand being without you. I don't think you know how hard it is for me. I just hope you will bear a little time with me. I've tried to explain to you except I'm afraid you don't really understand. Tommy when we get married I want us to be happy <u>together</u> for the <u>rest</u> of <u>our</u> life, I'm afraid it won't be true love if I want us to be true love, and I want to find out now. Tommy, please, please try to understand. You personally haven't done anything to make me stop liking you because I haven't stopped and don't stop, just trust me, I know that's hard since I have gone out on you once, just give me a chance to prove myself. I don't know what I'm going to do when you move, I won't be able to call you when I want to hear your voice, its going to be a complete change, something that I'm not ready for and ~~probably~~ never will be. Tommy you have really been wonderful to me and you'll never know how much I appreciate it even if I never told you before, no girl could ask for a better boyfriend than you. You have taught me alot and I want to thank you for it. I'm sorry if I upset you with what Janet in another peoples annual it's wasn't anything serious

Love you

Debra
